Kaurna Acknowledgement

The City of Marion acknowledges we are situated on the traditional lands of the Kaurna people and recognises the Kaurna people as the traditional custodians of the land.

The Land

This Management Plan applies to the Land identified in the Community Land Register as having the following purposes:

- Buffer Reserves providing a barrier between roads, paths and adjacent properties to deflect noise or wind and improve the aesthetics of an area.
- Controlled Access Reserves providing a barrier between roads, reserves and adjacent properties to restrict legal and physical access.
- Drainage Reserves housing infrastructure as part of a flood mitigation and stormwater detention system.
- Neighbourhood/Community Centres provide a Council run facility with staff to coordinate programs and activities with regular opening hours for community drop-in visits. These centres may provide areas that can be leased for community, retail or business purposes where they meet the needs of the local community.
- Operational Land supporting the Council in the delivery of their services to their community.
- Services Reserves housing infrastructure associated with essential services as their primary purpose.

For land under the Council's care, control and management, the Community Land Register identifies the owner together with any trust, dedication or restriction which applies to the Land.

Purpose for which the Land is held by Council

The Land is held for the provision of Council's operational needs as identified in the Community Land Register which may include but is not limited to environmental, urban design, heritage (cultural and built form) and stormwater management requirements. The

The City of Marion acknowledges it is part of Kaurna land and recognises the Kaurna people as the traditional and continuing custodians of the land.

Land may also provide open space or community facilities that are of a minor nature or act in support of the primary usage.

Council may grant or renew leases and/or licences where the agreements:

- are consistent with the uses and purposes included in this Community Land Management Plan;
- support the operational needs of Council; or
- formalise an encroachment provided it does not negatively impact on the primary purposes of the Land, its amenity or any other permitted uses of the Land.

Council may also issue permits which are consistent with the uses and purposes included in this Community Land Management Plan and in accordance with Council's Local Government Land By-Law No.3.

Objectives for the management of the Land

The following objectives each carry equal weighting. This means that not one objective outweighs another and rather, each objective is to be considered in a balanced and measured way taking into account (as relevant) the specific facts and circumstances applicable to the decision-making process.

- To facilitate use of the Land for community/operational purposes consistent with this plan and in accordance with any lease or licence issued by the Council.
- To develop and maintain infrastructure that allows Council to deliver its services to the community.
- To provide infrastructure to manage Council's stormwater network.

Leases and Licences for the Land

The current leases and licences for the Land (if any) are detailed in the Council's Community Land Register.

Leases and licences for less than 5 years that are consistent with the provisions of this Plan may be granted by Council in accordance with Section 202(3) of the Local Government Act.

Where a lease or a licence is proposed to be granted for a term of more than 5 years, Council will comply with its public consultation policy in accordance with Section 202 of the Local Government Act.

If the use of the Land will also include a business purpose, the business purpose must be consistent with the provisions of this Plan and Council may approve of such use in accordance with Section 200 of the Local Government Act.

The City of Marion acknowledges it is part of Kaurna land and recognises the Kaurna people as the traditional and continuing custodians of the land.

If any proposal to grant a lease and/or a licence is inconsistent with this Plan, the Plan must be amended in accordance with Section 198 of the Local Government Act.

Where Council is the custodian of Crown Land, the granting or renewal of leases and/or licences will be in accordance with the provisions of section 22 of the Crown Land Management Act 2009.

Proposals for the management of the Land

Subject to compliance with the requirements of all relevant legislation and Council Policies, the Council may develop and manage the Land to enhance its use as a community asset.

Council's proposals for the management of the Land are:

- The provision, maintenance, renewal and upgrade of Council owned assets, as appropriate and within budget constraints, including (but not limited to) buildings, playing surfaces, drainage, water detention, car parking, lighting, footpaths, access roads, furniture and landscaping.
- To redevelop and upgrade built assets in accordance with the Building Asset Strategy.
- Council may at its discretion, approve the use of any part of the Land for business purposes, provided that such business purpose is not inconsistent with this Plan.
- To protect and enhance remnant vegetation that has been identified on sites throughout the Council area by revegetating areas with appropriate species and rehabilitating degraded sites.

Performance Targets and measures

Objective	Performance Target	Performance Measure
To facilitate use of the Land for community/operational purposes consistent with this plan and in accordance with any lease or licence issued by the Council.	To ensure the Land is used for purposes consistent with this plan and any leases or licences that are in place clearly set out the responsibilities of each party.	Council is not notified of any breaches of the lease or licence and is not required to issue any Notices of Breach to agreement holders.
To develop and maintain infrastructure that allows Council to deliver its services to the community.	To ensure the provision of safe and appropriately maintained Council owned assets.	Periodic inspections of the Land to be conducted and any obvious safety concerns arising in connection with them will be addressed as a matter of priority and as soon as practical.

The City of Marion acknowledges it is part of Kaurna land and recognises the Kaurna people as the traditional and continuing custodians of the land.

		<p>Any reported accidents or service requests will be investigated by Council and responded to in accordance with Council's customer service standard.</p> <p>Signage to be erected on the Land where appropriate, to provide guidance to the public regarding appropriate uses of the Land.</p>
To provide infrastructure to manage Council's stormwater network.	To ensure there are no obstructions and the infrastructure does not pose a safety hazard to members of the public and surrounding properties.	<p>Periodic inspections of stormwater systems to be conducted with rectification of any identified issues.</p> <p>Any reported incidents or service requests will be investigated by Council and responded to in accordance with Council's customer service standard.</p>

Relevant Policies and Plans

This Community Land Management Plan will be implemented and managed in accordance with other plans and policies that relate to the Land (as may be amended from time to time), including the plans and policies listed below.

These plans and policies establish objectives, strategies and actions that will guide the future development, maintenance and management of all community land within the Council's area, including the Land.

Each are available for inspection at the Council's principal office during ordinary business hours and on the Council's website www.marion.sa.gov.au.

In accordance with the Act, in the event of an inconsistency between the provision of an official plan or policy under another Act and the provisions of this CLMP, the provisions of the official plan or policy prevail to the extent of the inconsistency.

Council Plans and Strategies

- City of Marion Strategic Plan
A strategic plan that provides a framework to respond to the economic, social and environmental sustainability pressures faced by the Council region.

The City of Marion acknowledges it is part of Kaurna land and recognises the Kaurna people as the traditional and continuing custodians of the land.

- **City of Marion Building Asset Strategy**
A strategy that considers the lifecycle and condition of building assets, the demographic profile of the community, future growth forecasts, partnership opportunities, service delivery/facility trends and spatial equity to identify Council's current and future asset needs.
- **Open Space Plan**
The Council's Open Space Plan guides the future provision, development and management of open space across the Council area over the next 10 years. The Plan is focused on achieving an equitable spread of appealing and functional open space across the City, establishes nine (9) areas to renew, develop and improve open space within the area, addresses current and future community needs, establishes a 'needs based' assessment to help deliver open space projects throughout Wards, and confirms how the council will engage with the community on local open space projects, including playgrounds and reserves.
- **Long Term Financial Plan**
A plan for the financial sustainability of the organisation translating the strategic directions into financial terms.
- **Business Plan**
Sets out the projects and programs that Council will deliver over four years.
- **Resilient South**
A plan to ensure the southern region remains a vibrant, desirable and productive place to live, work and visit, and that our businesses, communities and environments can respond positively to the challenges and opportunities presented by a changing climate.
- **Disability Access and Inclusion Plan**
The Disability Access and Inclusion Plan is a framework to ensure that all persons can participate in community life with dignity.
- **Transport Plan**
Overarching and consolidated approach towards the management of transport and its impact on the local community, businesses and the environment, this includes a walking and cycling plan.
- **The Smart City of Marion Strategic Plan**
To harness data, technology and infrastructure to support our community to flourish through improved service delivery.
- **Remnant Native Vegetation Plan**
Priorities and actions to protect remnant native vegetation in Council reserves.
- **Tree Management Framework**
Has been developed to meet the changing nature of tree management principles in a strategic and sustainable way. This includes a tree character vision for the city and tree management principles, which drive directions for trees in parks, reserves and streets.

The City of Marion acknowledges it is part of Kaurna land and recognises the Kaurna people as the traditional and continuing custodians of the land.

- Local Government Land By-Law No 3
Regulates access to and activities that may be undertaken on the Land.

Council Policies

- Asset Management Policy
Identifies how asset management is to meet a required level of service in the most cost-effective way, through the creation, acquisition, maintenance, operation, rehabilitation and disposal of assets to provide for present and future community needs.
- Climate Change Policy
Council's commitment to respond to climate change when undertaking operational activity.
- Community Facilities Policy
To guide the development of community facilities planning and works programs.
- Equity, Access and Social Inclusion Policy
Supports Council's commitment to creating a community where people of all ages and abilities have equal opportunity to access and participate in community life with dignity.
- Leasing and Licensing of Council Owned Facilities Policy
Guiding principles and statements that will form the negotiating position of Council as new leases are entered into for all organisations who occupy Council owned facilities.
- Risk Management
Council will integrate risk management into its corporate culture and its everyday business operations at the strategic, project, operational and emergency risk levels.

South Australian Government Policy

- Resilient South Adaption Plan
The goal of Resilient South is a region that is resilient to natural hazards associated with climate change, focused on preparedness and crisis avoidance and captures opportunities in innovation in adapting to climate change.

The City of Marion acknowledges it is part of Kaurna land and recognises the Kaurna people as the traditional and continuing custodians of the land.
