

Edwardstown Soldiers Memorial Recreation Ground Board Member Nomination Form

Candidate Information

Name Chris May.....

As voting members may not be familiar with the candidate, in no more than 200 words please describe yourself and any particular reasons outlining why you wish to be elected to and what you would expect to achieve during your term on the Board.

I see ESMRG as a vibrant hub supporting the community – including the groups that have been using the facilities over the years – and will help work towards the financial and social viability of the great new facilities, and looking for ways to maintain and increase participation in sports and other activities.

I am very keen to see participation activities for the local community and for all Marion Council residents – of all ages.

I am the President of the South Coast Cycling club and have been involved with the club for as long as my daughter has been a cyclist. Our membership is increasing, not just amongst the juniors but across the age groups. We run training and racing events on the track every week from October to March and hold events around Adelaide – and further afield when required.

I have more than 25 years of public sector experience at all levels in two countries in delivering programs and projects, managing teams and initiatives, and collaborating to achieve. I have more than 30 years' involvement in community organisations and partnerships in Australia and the UK.

I have been living on 'the other side' of Daws Rd for over 5 years.

I believe strongly in looking for opportunities to work together towards goals, and in bringing people and groups together where there might be mutual benefits.
