

## 1. RATIONALE

This Policy is consistent with the Australian Standards for complaint handling and the Ombudsman SA *Right of Review* Audit (completed November 2016).

## 2. POLICY STATEMENT

The City of Marion:

- Is committed to providing good governance practices through efficient fair and accessible mechanisms to resolve services complaints or grievances.
- Encourages customers and the community to raise issues and complaints with the Council as it provides the opportunity to improve services to the community.
- Recognises the importance of transparency in decision making and the need to provide a fair and objective process for the review of all decision and actions.

## 3. OBJECTIVES

The purpose of this Policy is to provide a fair, consistent and structured process for City of Marion's customers if they are dissatisfied with an action, decision or services. These actions, decisions or services may be delivered by the Council (being the elected body as a whole), an employee of the council or another person acting on behalf of the council.

Lessons learnt from a complaint investigation will be used to directly inform service improvement.

Where complaints cannot be settled in the first instance the City of Marion will ensure that they are dealt with through appropriate, more formal procedures by staff or Council with the authority to make decisions. Complainants will be referred to this Policy and the associated procedure which details the steps required for further review.

## PRINCIPLES

This policy is based on the following principles:

- Fairness – All Complaints and grievances will be treated with procedural fairness, impartiality and transparency at all stages of the review.
- Responsiveness – taking into consideration the complexity of the matter, all complaints and grievances will be resolved in a timely manner.
- Efficiency – those involved in the complainant process will have the required skills, knowledge and resources to undertake the review.

## 4. POLICY SCOPE AND IMPLEMENTATION

### MANAGING INTERNAL COMPLAINTS AND GRIEVANCE

Complaints and grievances can vary in their complexity and seriousness. There are three ways in which a complaint or grievance can be resolved/reviewed:

1. Immediate response to resolve the matter

All staff are empowered to handle complaints in the first instance and it is preferable that they are dealt with promptly at the initial point of contact and at the appropriate officer level where ever possible.

2. Escalated to a supervisor or manager

When a complaint cannot be resolved in the first instance, it will be referred to either a supervisor or manager. Additionally, where the circumstances indicate that the complaint would be more appropriately dealt with at a high level, the matter will be escalated. Complaints of this nature must be made in writing and outline the specific nature of the complaint.

3. Internal Grievance Review – Review of Decision (pursuant to section 270 of the Local Government Act 1999)

When a complaint cannot be resolved in the first instance and/or by a supervisor or manager, it will be referred for internal review in accordance with the Complaints and Grievance Procedure. The complaint or grievance will be reviewed by the Manager Corporate Governance. The Manager Corporate Governance may investigate the matter themselves, or establish an internal Review Panel (depending on the complexity of the matter) or refer the matter to an independent investigator.

Any complaint or grievance relating to a decision made by the Chief Executive Officer or the Council at a Council or Committee Meeting, will be referred to the next General Council Meeting to determine how the matter will be reviewed, either by an internal Review Panel or outsourced to an independent investigator.

Complaints of this nature must be made in writing to the Manager Corporate Governance and outline the specific nature of the complaint and the dis-satisfaction with any internal review completed so far.

Applications for the review of decisions must be lodged within six (6) months of the decision in question being made. However, in exceptional but reasonable circumstances, the Manager Corporate Governance may agree to accept a late application. This will be assessed on a case by case basis.

This process will be the last level of internal review for the Council's complaint and grievance process.

## TIMEFRAME

Timeframes for complaints and grievances will be dependent on the complexity of the matter. Complainants will be advised upfront of the likely timeframe required to investigate a matter and updated on progress where necessary. Timeframes may change as matters progress. The estimated timeframe for complaints and grievances are as follows:

1. Immediate response to resolve the matter  
1-3 working days
2. Escalated to a supervisor or manager  
10 working days of the matter being escalated
3. Internal Grievance Review (pursuant to section 270 of the Local Government Act 1999)

## ITEMS EXCLUDED FROM THIS POLICY

The following matters are excluded from being reviewed pursuant to this Policy and associated procedure:

- If the complaint is made by an employee of the council and relates to an issue concerning his or her employment.
- It appears that the complaint is frivolous or vexatious.
- If the Complainant does not have a sufficient interest in the matter.
- Complaints which are determined to be about matters that are not Council's responsibility (i.e. neighbourhood disputes).
- Complaints that refer to staff or elected member misconduct or behaviour (will be referred to relevant Code of Conduct).
- Reports of fraudulent, corrupt or illegal activity (will be referred to the relevant authority).
- Matters that have existing appeal rights through their own legislations (i.e. Freedom of Information, Expiation of Offences act 1996, Development Act 1993 etc).
- Claims and Insurance decisions made by other agencies.

Matters that fall outside statutory appeals procedures will be considered for the conduct of an Internal Grievance Review on the merits of the individual application.

## UNREASONABLE COMPLAINANT

All complaints received by the City of Marion will be treated seriously and complainants will be treated courteously. However, occasionally the conduct of a complainant can be unreasonable. This may take the form of unreasonable persistence, unreasonable demands, lack of cooperation, argumentative or threatening behaviours.

Where a complainant's behaviour consumes an unwarranted amount of Council resources or impedes the investigation of their complaint, a decision may be made to apply restrictions on contact with the complainant. Before making any decision to restrict contact, the complainant will be warned that, if the specified behaviour(s) or actions continue, restriction may be applied.

Any decision to restrict contact or suspend action on a complaint process will be made by the Chief Executive Officer and/or a General Manager. This will be communicated to the complainant in writing.

## REPORTING

All matters reviewed via an Internal Grievance Review will be reported via the City of Marion Annual Report.

#### Complaint procedure

Where a person alleges –

- an employee (or a relative of an employee) has sought or received a gift or benefit that is, or could reasonable be taken to be, intended or likely to create a sense of obligation on the part of the employee to a person or to influence the employee in the performance or discharge of the employees functions or duties; or
