Project Summary

Help design the upgrade at Capella Reserve, including activities for a range of ages and abilities. Such as;

- Play
- Fitness
- Skate/Scooter
- Walking trails
- Shelters and seating
- Picnic facilities

Please help us shape this reserve upgrade by providing your thoughts and comments within the Capella Reserve survey  
<https://makingmarion.com.au/capella-draft-concept>

A Community Drop-In will be held at Capella Reserve 10am-11:30am, 19th September. This will be an opportunity to have your say in person, as well as gather more information on the Capella Reserve Upgrade.

Indicative Options

Draft Design

Design elements include;

- Enhanced existing entry points
- Extended car park with new lighting, line marking, vehicular connections and improved visibility
- Improved skate park & new youth facilities; new lighting and visibility
- Fitness trail/obstacle course
- Revegetation zone with walking trail and seating nodes
- Opportunity for integrated water sensitive urban design
- Improved landscape amenity
- Nature play elements
- Shelters and seating, drink fountain with dog bowl
- Opportunity for larger adventure play elements
- New public toilet with shared community facilities; BBQ, shelter, and seating

\* Items are indicative only. Final items may vary to those shown in pictures.
