

MINOR RESERVE IMPROVEMENTS

Rosslyn Street Reserve

Dear Resident,

Rosslyn Street Reserve, Clovelly Park was upgraded in 2010 with new playground equipment. The reserve also has a picnic setting, seating, shade sail over equipment and pathways.

As part of Council's endorsed Open Space Plan (August 2022), minor reserve improvements are planned for Rosslyn Street Reserve in 2023.

Work will include the installation of a drink fountain and a shelter over the existing picnic table. Funding is also included to install sporting goals. We are seeking your feedback on the type of sporting goals to be added to the reserve. Please share your feedback by completing a short survey at makingmarion.com.au/rosslyn-street-reserve **Consultation will close on 3 March 2023.**

The concept plan can be viewed overleaf.

Following community consultation, minor improvements will be made to Rosslyn Street Reserve by July 2023.

If you have any queries please contact Amy Liddicoat, Open Space and Recreation Planner P 8375 6600 | E council@marion.sa.gov.au

February 2023

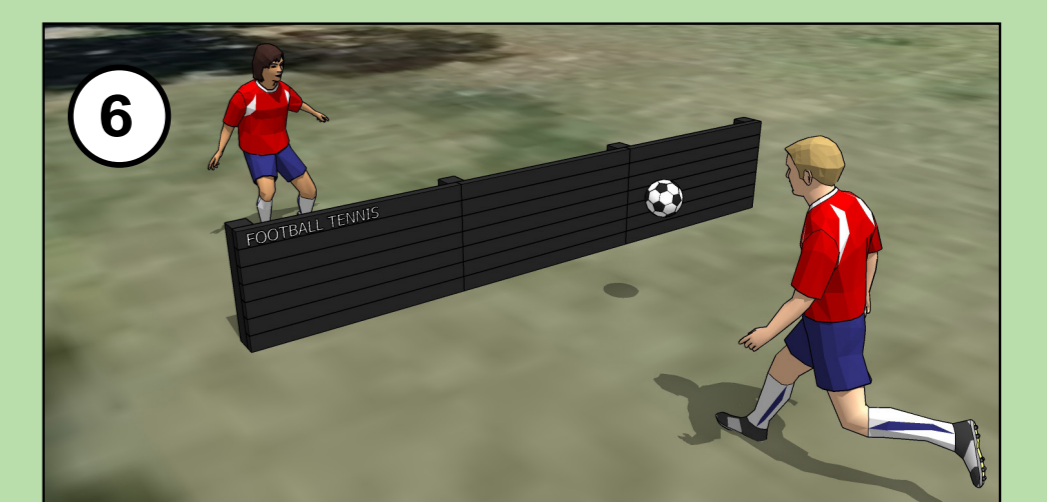

Councils Open Space Plan has included minor improvements at Rosslyn Street Reserve. This will include the following items:

- 1 Proposed drink fountain with bottle refill & dog bowl. Located adjacent existing path.
- 2 4 x 4m Shelter over existing picnic table
- 3 New Tree Planting. Final location to be confirmed onsite.

Council also has funding to install sporting goals at this location. Please tell us which option you prefer from the following:

- 4 Junior Aussie Rules Goals
Or
- 5 Sports target goal.
Or
- 6 Sports Soccer / Tennis wall.
Or
- 7 Soccer dribbling bollards.
Or
- 8 2x Mini Soccer Goals
