

Trott Park Trail

Project Update & Notice of Works

TROTT PARK TRAIL

A trail will be constructed to link the following four Reserves:

- Tyson Avenue Reserve
- Reserve Street Reserve
- Scarvell Avenue Reserve
- Klippel Avenue Reserve

In September 2023, the City of Marion consulted with residents on their preferred option for the trail.

Residents preferred Option 1:

- A longer trail, running the whole length of Tyson Avenue Reserve and connecting to the dog park entry near Rix Court
- New bench seats
- Increased tree and native planting

The construction industry is busy at the moment, so securing a contractor has taken time but we are pleased to announce construction will begin **18 March 2024**. Works are expected to be complete **May 2024**.

The final design is shown over the page and can be found online:

<https://www.marion.sa.gov.au/things-to-do/parks-and-playgrounds/reserve-street-reserve>

Please note that infill plantings in the existing garden beds surrounding the Reserve Street Reserve playground will be planted in addition to the trail works.

If you have any queries regarding this construction or other works, please contact the City of Marion's Open Space & Recreation Team on 8375 6600, Monday to Friday, 8.30am – 5.00pm.

Legend

- | | | | |
|--|---|--|--|
| | Existing path to be retained | | Existing bench seat (rest stop) |
| | Existing informal trail connection | | Proposed bench seat (rest stop) |
| | New 1.5m compacted rubble path | | New tree and native planting opportunities |
| | Culvert bridge crossing over swale | | |
| | 1.2m high pedestrian barrier fence along edge of footpath | | |
