| Jason Veliskou | 12 March 2018 | 2018 Ubet Adelaide Cup – 2x Tickets | \$270 per ticket | <p>Tickets given to community member Glenda Spencer-Burridge as a token of appreciation. She was community member who submitted the successful "Fund my Neighbourhood" application resulting in a \$150,000 state government grant towards the upgrade of the Marion Outdoor Pool.</p> <p>Glenda has been a long-term supporter of the outdoor pool and her successful campaigning for fund my neighbourhood funding was her through her own initiative and hard work.</p> <p>Glenda's brother Phil has provided her with ongoing assistance in the work she has done to support and improve the Marion Outdoor Pool for well over 12 years. Without Glenda's initiative in the fund my neighbourhood application and campaigning for the Marion Outdoor Pool, the changerooms and Kiosk would not be getting updated as early as later this year. If there were to be a future upgrade without Glenda's input, it would have cost rate payers \$150,000 more for the same works. I believe Glenda ended up giving her ticket to Phil's spouse as she was unable to attend.</p> |
