Every rateable property in the City of Marion is entitled to one set of three bins for kerbside collection of recycling (yellow lid), organics for compost (green lid) and waste to landfill (red lid).

WHICH BIN DOES IT GO IN?

Keep this guide as a handy reference next time you ask yourself: which bin does this go in?

Marion recycles – because we know our efforts are worthwhile.

In the City of Marion we are increasing recycling. More than one in five households recycle their food scraps in the organics bin. You can join Marion’s war on waste by increasing the amount of items you recycle including food waste.

Recycling is responsible, and it reduces landfill and pollution.

WHAT HAPPENS TO OUR RECYCLING?

Our recycling bin contents are sorted and baled at a materials recovery facility in Wingfield, and those products are then sent interstate to be manufactured into new products.

Our organics bin contents are processed into a nutrient-rich compost at Brinkley to improve our dry soils.

FIND OUT MORE ABOUT WASTE

You can personally see what happens to your waste, recyclables and organics after collection from the kerb on a ‘Not a load of rubbish’ tour, a free daytrip for residents. You can also attend workshops about composting and worm farming to discover their benefits for your garden. To express your interest in a tour or workshop, email council@marion.sa.gov.au or phone Council on 8375 6600.
HOW TO PLACE YOUR BINS:
- Please place bins on the kerb either the night before or by 6.00am on collection day
- Place your bins either side of your driveway, beside or in the middle of your driveway to ensure that cars do not park in front of them
- Maintain 1 metre space, where possible, between your bins and vehicles, trees, signposts, fencing, letterboxes and buildings
- Aim for at least 30cm spacing between bins
- Ensure bins face the road with the wheels towards the house
- Avoid overloading your bin (maximum weight 50kg) and ensure the lid is closed

QUERY

<table>
<thead>
<tr>
<th>If your bin is:</th>
<th>WHAT TO DO</th>
</tr>
</thead>
<tbody>
<tr>
<td>- not collected</td>
<td>Contact Cleanaway</td>
</tr>
<tr>
<td>- damaged</td>
<td>Online report cityofmarion.cleanaway.com.au</td>
</tr>
<tr>
<td>- damaged</td>
<td>Email <a href="mailto:marion@cleanaway.com.au">marion@cleanaway.com.au</a></td>
</tr>
</tbody>
</table>

If you need an additional bin (fees apply)
Phone 1800 777 844
(Monday to Friday 7am to 6pm)

If your bin has gone missing
Complete the ‘Request to Replace a Missing Bin’ form at marion.sa.gov.au
To track the progress of your request, contact Cleanaway on 1800 777 844
or marion@cleanaway.com.au

If your property is:
- being demolished
- newly built and needs bins
To arrange for the removal of bins from a property being demolished or to arrange bins for a newly constructed occupied property, contact City of Marion
Phone 8375 6600
Email council@marion.sa.gov.au

Bins must be brought back in from the kerb within 24 hours

NO. These items do not go in your recycling bin.

NO clothing or fabric

NO nappies

NO polystyrene foam trays, cups or packaging

NO food scraps

NO SOFT PLASTIC bags or packaging even if it has a triangular symbol with a number

NO electrical waste

For more information about recycling go to marion.sa.gov.au

TOP TIPS

Place all items loose in the yellow bin

Ensure your recyclables are empty and clean

Place steel lids inside a steel can and squash the top shut to stop lids falling out

Place small pieces of plastic such as lids, bread tags and straws inside a bottle. Once full put a lid on the bottle and place in the recycling bin

Recycle your plastic bags and packaging at Coles and Woolworths.
Visit redcycle.net.au for more information.

**NO.**
These items are banned from household bins.

For more information about other waste go to marion.sa.gov.au or whichbin.sa.gov.au

**AVOID AND REDUCE WASTE BY:**
- Planning meals so less food is wasted
- Buying fruit and veggies loose
- Refusing junk mail if you don’t want it
- Reading more online and less in print
- Borrowing or renting items you only use occasionally such as tools
- Repairing clothing and appliances

**CHOOSE TO RE-USE:**
- BYO drink bottles for water
- shopping bags
- re-usable lunch boxes and wraps
- re-usable takeaway coffee cups
- clothing, towels and bedding by donating to charity
- wrapping paper and single-sided print paper
- modern cloth nappies

For more information about other waste go to marion.sa.gov.au or whichbin.sa.gov.au
Each household can book two free hard rubbish collections per financial year. **Council will collect up to one cubic metre of material per booking.**

Hard waste items will not be collected unless a booking has been made. Excess or unacceptable material will not be collected and must be removed from the kerbside. Failure to do this may result in a fine.

A Tip Ticket may be requested in place of one of your collection entitlements which allows residents to take one cubic metres’ worth of material to a selected transfer station in Lonsdale for free, at a time that suits you.

**FOR ALL BOOKINGS AND INFORMATION**

Call 8375 6600 or go to marion.sa.gov.au

- Household furniture
- Washing machines and dryers
- Mattresses and bed bases
- Household appliances
