For the avoidance of doubt, the Authorisation does not extend to any maintenance, repairs or other works on or for the Encroachment including, but not limited to the use of cranes, ladders, platforms, scaffolding, the placement of cables or any other items on the public road. These activities require authorisation under Section 221 of the *Local Government Act 1999*, for which the Owner must apply for a further authorisation.
22. The Authorisation granted in clause 21 shall be for a term of 42 years from the date on which the Owner commences construction of the Encroachment. Provided that the Owner has complied with the terms of this Agreement and that there are no outstanding breaches, whether or not such breach is known to the Council at the time, upon the expiry of the Authorisation the Owner shall be entitled to request a renewal of the Authorisation on the same terms and conditions of this Agreement for an additional term of 42 years.
23. In considering a request for renewal pursuant to clause 22, and any term which it fixes for such a renewal if so granted, the Council will take into account the Owner's compliance or otherwise with this Agreement and the nature of the Encroachment which requires the granting of the Authorisation.
24. In consideration of the Council granting the Authorisation, the Owner must pay the Encroachment Fee annually for each Encroaching Property, payable on 1 July each year.

25. If the Owner breaches a term of this Agreement, the Council may, by Notice served on the Owner specifying the nature of the breach, require the Owner to remedy the breach within such time as is specified in the Notice, but which time must not be less than thirty (30) days. If the Owner fails to comply with the Notice, the Council (or its servants or agents) may:

25.1 remedy the breach and recover the Council's costs of doing so from the Owner; or

25.2 terminate the Authorisation.

26. Upon the expiry or termination of the Authorisation the Owner must, if it does not obtain a renewal of the Authorisation or a fresh authorisation within 2 months of the expiry or termination of the Authorisation:

26.1 cease using any portion of a dwelling or structure on the Land that constitutes an Encroachment; and

26.2 remove any Encroachment protruding from the Land.

COUNCIL'S POWERS AND OBLIGATIONS

27. The Council, including any employee or agent of the Council authorised by the Council, may at any reasonable time after giving at least two (2) business days written notice to the Owner enter the Land for the purpose of:

27.1 inspecting the Land and any building or structure on the Land; or

27.2 exercising any other powers of the Council under this Agreement, or pursuant to any other law.

28. If the Owner is in breach of this Agreement, the Council may, (without limiting any other remedy available to the Council, including under Part 11 of the Act), by Notice served on the Owner specifying the nature of the breach, require the Owner to remedy the breach within such time as is specified in the Notice, but which time must not be less than thirty (30) days. If the Owner fails to comply with the Notice, the Council (or its servants or agents) may enter the Land and cause the works or requirements specified in the Notice to be carried out and may recover its costs of doing so against the Owner.

29. Without providing a Notice to the Owner, the Council may apply to the Registrar-General to note this Agreement against the Certificate of Title of the Land.

30. In the event of a breach or threatened breach of the Agreement by the Owner, the Council may (without limiting any other remedy available to the Council, including under Part 11 of the Act), obtain an injunction restraining the Owner from committing a breach of the Agreement without proving any actual damage has or will be sustained by the Council. The parties agree that a breach of this Agreement by the Owner may cause injury for which damages may not be an adequate remedy to the Council.

32. The parties intend that this Agreement will be effective as a Land Management Agreement pursuant to section 57(2) of the Act upon being registered under the *Real Property Act 1886* as a note against the instrument of title to the Land.
33. This Agreement is the whole agreement between the parties in relation to the matters contained within it. This Agreement may only be varied by a supplementary agreement executed by the Council and the Owner.

WAIVER

37. The Council or its delegate may, conditionally or unconditionally, waive compliance by the Owner with the whole or any part of the Owner's past or future obligations under this Agreement.
38. To be effective, a waiver must be in writing and signed by the Council or its delegate.
39. The failure, delay, relaxation or indulgence by a party in exercising a power or right under this Agreement is not a waiver of that power or right.
40. An exercise of a power or right under this Agreement does not preclude a further exercise of it or the exercise of another right or power.

SEVERANCE

41. Where a clause or part of a clause in this Agreement would, but for this clause, be unenforceable:
 - 41.1 the clause or part of the clause shall be read down to the extent necessary to avoid that result; or
 - 41.2 where the clause or part of the clause cannot be read down, it may be severed from this Agreement and the remainder of the clause or of the Agreement shall continue in force, unless this would result in a material change to the intended effect of the Agreement.
