Meet the Author: Kirsty Manning 'The Jade Lily'

In 2016, fleeing London with a broken heart, Alexandra returns to Australia to be with her grandparents, Romy and Wilhelm, when her grandfather is dying. With only weeks left together, her grandparents begin to reveal the family mysteries they have kept secret for more than half a century. After Wilhelm dies, Alexandra flies to Shanghai, determined to trace her grandparents' past. As she peels back the layers of their hidden lives, she begins to question everything she knows about her family - and herself. A gorgeously told tale of female friendship, the price of love, and the power of hardship and courage to shape us all. Books available for sale.

Meet the Author: Hugh Mackay 'Australia Reimagined'

Australia's most respected and experienced social researcher, Hugh Mackay, believes something is wrong with the state of the nation and in the lives of its citizens. Drawing on his 50 years' experience of listening to Australians talk about their lives and watching some big trends play out, Mackay shows how an unprecedented run of economic growth has failed to deliver a more stable or harmonious society. He shows how these forces disrupt our lives and erode our sense of what constitutes a meaningful existence, which in turn fuels despair and anxiety.
