

Edwardstown Soldiers Memorial Recreation Ground Board Member Nomination Form

Candidate Information

Name Maureen E Lewis

I am Maureen Lewis, semi-retired living in Lower Mitcham. I am an Associate Member of the Edwardstown Bowling Club (& run the Melbourne Cup Luncheons). Family members live in Edwardstown & utilise the ESMRG facilities too.

My past experience on the West Gambier Football Club Board in the early establishment of a two-storey complex on developing grounds, gives me great insight into the needs of a community complex. There were 250 football members plus Cricket, Soccer, Tennis & Netball Clubs for which the Board was responsible.

The ESMCC Board must set fair boundaries & guidelines for those using the facilities from the affiliated sports of whom some members have been part of this community for decades and to equally benefit the whole community, from the young to the seniors.

The best outcomes for ESMCC must include good safe practices & respect for both staff, each affiliated sports member and the community. Promoting full community use of the complex & grounds when not used by the sporting clubs should include fund-raising events to make sure the complex is totally financial in all aspects.

I want to be part & expect the ESMCC Board to benefit the entire community.
