

SNAPSHOT: ARTWORKS, CULTURE AND HERITAGE ASSET MANAGEMENT PLAN 2020 - 2030

Artworks, culture and heritage assets contribute to the unique identity of the City of Marion, and reflect the development of the community, its diversity and its history.

WHAT WE ARE DELIVERING

This Plan is a first step towards improved asset management for our Artworks Culture and Heritage assets. Future versions of this Plan will be informed by the improvement actions identified. We will consider including the Marion Heritage Research Centre Collection within this Asset Management Plan. The collection is of significant historic and cultural importance to the Marion community and is a rich resource for current and future researchers of Marion's history.

COMMUNITY ASSETS

- Public Art
- Portable Art Collection
- Band Instruments

FUTURE DEMANDS

- Community Expectations
- Demand for quality open space and public realm
- Assuming care and control of Public Art incorporated in State Government-initiated infrastructure

RISK MANAGEMENT

- Controls are in place to manage risks
- Funding levels are sufficient to continue to manage risks in the medium term

TOTAL VALUE OF ASSETS

By listening and understanding what is important to you, we have developed Community Levels of Service:

	TARGET	CURRENT PERFORMANCE AND NEXT STEPS
Safety	Provide a safe public realm and open space network for enjoyment by members of the public	Assess asset condition through routine visual inspections, maintenance reports and safety and operational audits.
Quality	Provide quality public and static artwork Provide relevant heritage resources	Manage a portfolio of artworks and items of cultural and heritage significance to the Marion community.
Function	Contributes to a sense of place, sensitive to the history, on-going cultural significance and stories of the land	Endorse Public Art Guidelines 2020-28. Improve documentation procedures for Band Instruments
Capacity	Access to Public Art is a feature of the public realm across the City. Access to Art and Heritage Collections enriches the community.	Explore options to increase community access to the City of Marion Art Collection.
Sustainability	Operational requirements are safely and effectively met, whilst minimising impact on the environment	Incorporate Public Art in Open Spaces, Community Facilities, Sports and Recreation facilities and Public Infrastructure across the City.

We will optimise our spending through better asset management to deliver community levels of service in the most affordable and efficient way.
