Advertising Requirements

It is the applicant's responsibility for arranging and meeting the costs of preparing and implementing certain requirements for road closures, this includes advertising the road closure.

Details of any road closures must be advertised appropriately at least *two clear days* prior to the closure.

Notice of the closure must appear within one newspaper circulating within the area of the Council. Proof of advertising and payment details must be supplied to Council.

A notice to close a road must:

- a) identify the name of the road to be closed and the Council area or Council areas within which the road is situated;
- b) if the road closure order applies to only part of a road, identify the section of the road to be closed;
- c) specify the date on which the road is to be closed;
- d) specify the period of time during which the road is to be closed;
- e) identify all roads that will be inaccessible by vehicle as a result of the closure;
- f) include the name and telephone number of a person (where possible) or body from whom further details regarding the road closure can be obtained;
- g) include, where possible:
 - i. the email address of a person from whom further information regarding the road closure can be obtained;
 - ii. the address of a website from which further information regarding the road closure can be obtained; and
- h) include advice of any order that has been made under section 33(1)(b) of the Act exempting persons from the duty to observe an enactment, regulation or by-law.¹

These requirements have been extracted from the *Temporary Road Closure Guidelines, January 2015* prepared by the Local Government Association of South Australia (LGA).
